

Chapel Hill Children's School:

A Peanut-Aware Zone

CHCS is a peanut-aware facility. We strive to provide a peanut-free environment for children who have peanut allergies. We are unable to control everything that is brought into our multi-use classrooms. We ask that CHCS students follow the guidelines which are found in your Parent Handbook:

LUNCH:

The children will bring their own food for lunch on Monday, Tuesday, Wednesday, and Thursday. We suggest you send finger foods and a non-staining drink. *Our classrooms are "peanut free" for the safety of some of our students.* Please do not send foods with peanut products in them. Do not send foods that need heated or refrigerated. Your child will be assisted in opening any containers, if needed. *Please do not send any gum, carbonated beverages or glass containers!*

Thank you in advance for our cooperation and understanding of this policy. We will continue to closely work with the families of children who have any allergy. If you have questions or concerns about food-allergy-related issues, please do not hesitate to talk to your child's teacher or the CHCS office at 817-424-1396.
